GIRL GEAR

## reinvent the wheelie

Hit the road with one of these stylish—yet super practical—suitcases that are sure to make waves in baggage claim.

Samsprite Black Label  
The Vintage 26-inch  
Spinner Upright was  
inspired by romantic  
1930s travel trunks.

Titan The X2 Flash  
22-inch USA is tough  
enough to go the  
distance, but carries a  
lifetime warranty, just  
in case. [titanluggage.com](http://titanluggage.com), \$680.

Tumi Even with three  
layers of ultra-durable  
plastic, the T-Tech  
Polycarbonate Frequent  
Traveler weighs a mere  
8.6 pounds, so you can  
transport it with ease.  
[tumi.com](http://tumi.com), \$395.

Orla Kiely The zip-up  
shoe pockets are useful,  
the cherry-leaf-print  
lining is just plain fun.  
[orkelkiely.com](http://orkelkiely.com), \$350.

Made with the  
same material used  
in bulletproof glass!
