

## PACK IT UP

### ARE YOU ASHAMED OF YOUR LUGGAGE?

Is it boxy, unoriginal, breakable, hard to pack and even harder to carry? Don't despair, because ultra-light, durable and stylish Titan luggage, formerly available only in Europe and Asia, is now on sale in the U.S. Founded in Germany in 1983, the Titan line is durable, ergonomic and ingeniously designed, and the company offers a "no matter what" unconditional lifetime warranty on all of its products. With a complete line ranging from beauty and business cases to carry-ons, trolleys and flight bags, Titan makes it possible to travel safely and stylishly. So what are you waiting for? Get some Titan and get out of town. [www.titanluggageusa.com](http://www.titanluggageusa.com).
