

## George Lucas's Blockbusting

If you're a movie buff, then George Lucas's *Blockbusting: A Decade-by-Decade Survey of Timeless Movies* by Alex Ben Block and Lucy Autrey Wilson is for you. This book provides a comprehensive look at 300 of the most financially and/or critically successful motion pictures of all time—many made despite seemingly insurmountable economic, cultural, and political challenges. Set against the prevailing production, distribution, exhibition, marketing, and technology trends of each decade in movie business history.

## Tifosi Roubaix

Large lenses and an open-frame design make the Roubaix by Tifosi Optics an optimum choice for golfers. The ultra-flexible and light Grilamid TR-90 frame combined with hydrophilic rubber adjustable ear and nose pieces are exactly what you need to forget you ever even put sunglasses on at all. Golf interchangeable models come with the following three lenses: GT (golf/tennis) for high contrast to help you pick up the ball in flight, EC (extreme contrast) filters blue light that causes optical distortion and is great for green reading, and AC Red for overcast conditions.
