Unmistakable luggage from Titan

Tired of grabbing the wrong plain black suitcase from the JWA baggage claim? Take away the guesswork with **Titan X2 4W Flash** luggage. Like the rest of the Titan line, the X2 4W models are made of lightweight, durable polycarbonate and feature four 360-degree rotating wheels for easy navigation through crowded airports. They also come in vivid colors like yellow, pink and green, making your bag easy to spot. Retail for \$420-\$725 at *Benchley Luggage and Gifts/Fashion Island*, (949) 759-9101; www.titanluggageusa.com
